

Title 10

PUBLIC SERVICES

Ordinances:

141 Granting a Franchise to Carbon Power & Light

157 Dump Facilities

180. SEWER ORDINANCE

183, AMENDMENT TO SEWER ORDINANCE . . .

Ordinance I4I

AN ORDINANCE GRANTING UNTO CARBON POWER & LIGHT, INC., A WYOMING CORPORATION AND ITS SUCCESSORS AND ASSIGNS, A FRANCHISE FOR THE CONSTRUCTION, OPERATION AND MAINTENANCE OF AN ELECTRIC DISTRIBUTION PLANT OR SYSTEM IN THE TOWN OF RIVERSIDE, AS NOW OR HEREAFTER CONSTITUTED, CARBON COUNTY, WYOMING, FOR A TERM OF TWENTY FIVE (25) YEARS AND FIXING AND PRESCRIBING THE CONDITIONS AND TERMS THEREOF.

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE TOWN OF RIVERSIDE, WYOMING:

Section 1. That there is hereby granted to Carbon Power & Light, Inc. a Wyoming Corporation, hereinafter called the Cooperative, and the successors and assigns the right, privilege, and franchise to construct, operate and maintain in the present and future streets, alleys, lanes, avenues, parkways and other public places in the Town of Riverside, Wyoming, as now or hereafter constituted a system of underground and overhead lines, anchors, cables, wires and other appurtenances for the purpose of supplying light, heat, power and other purposes, to the Town of Riverside, the inhabitants thereof and persons and corporations in and beyond the limits thereof, for the terms and under the conditions hereinafter set forth.

Section 2. That the Cooperative shall have the right, privilege and franchise to construct, maintain and operate without limitation, generating plants, substations, transformers, underground and overhead electrical systems.

Section 3. That the opening of any and all streets, alleys, lanes, avenues, parkways and other public places by the Cooperative, its agents or employees and the laying of underground lines therein or the placing of overhead pole lines shall be subject by virtue of this ordinance under the rules, regulations, and ordinances of the Town of Riverside, hereinafter called Town and that all of the streets, alleys, lanes, avenues, parkways and other public places opened under and pursuant hereto shall be restored, within a reasonable time thereafter, to as near original condition as practicable so to do. However, when said Cooperative has laid or constructed its lines according to grades and survey furnished by the Town at the time of construction and thus any change ordered or caused to be made by the Town shall be at the expense of the Town and shall be paid by the Town.

Section 4. That the Town shall not inact by its rules, regulations, ordinances which shall be in conflict with the rates, terms and conditions of service which are subject to regulation

by the Public Service Commission of the State of Wyoming, Federal Energy Regulatory Commission and the Rural Electrification Administration of the United States of America.

Section 5. That the Cooperative will maintain services in a proper workman-like manner. However, the Cooperative will not be held liable for interruption of electric service because of vandalism, Act of God, governmental agencies, actions of the elements, accidents, strikes, or any cause beyond reasonable Cooperative control.

Section 6. That permission is hereby granted to the Cooperative, its assignees and successors to assign this franchise and all rights hereunder, and assigns, whether individuals, corporations or United States of America, shall become entitled to all of the rights and privileges herein granted and shall assume all the obligations and duties herein provided.

Section 7. That the Town shall not impose a levy or attempt to impose or levy any privilege, franchise, license, or other tax upon the Cooperative, its successors and assignees during the term of this franchise.

Section 8. That the franchise and grant and all permission and rights hereby granted shall expire at the end of twenty five (25) years after the date of passage of this ordinance.

Section 9. That if the Cooperative in the opinion of the Town, fails, either by act of commission, or by the act of omission, to carry out the provisions of the ordinance, the Town shall give written notice to the Cooperative by registered mail, to the Cooperative, specifying in what particular it is claimed that the Cooperative has failed to comply with this ordinance, and the Cooperative shall, within thirty (30) days after receipt of said notice, either take necessary action to comply with the claim of the Town of given written notice, by registered mail to the Mayor of the Town why it is not required to comply.

Section 10. That all ordinances or parts of ordinances in conflict herewith are hereby repealed.

ORDINANCE NO. 141

198 Approved FIRST READING this day of April 1983

198 Approved SECOND READING this day of May 1983

198 Approved THIRD READING this 6 day of June 1983

Passed by the Town Council of the Town of Riverside, Wyoming
this 6 day of June 1983 .

Town Clerk

ORDINANCE NO. 157

AN ORDINANCE PROVIDING FOR THE USE AND CONTROL OF DUMP FACILITIES FOR THE TOWN OF RIVERSIDE, WYOMING.

BE IT ORDAINED BY THE GOVERNING BODY OF THE TOWN OF RIVERSIDE, WYOMING.

Section 13: Use of Dump Facilities. The Town of Riverside has contracted with the Town of Encampment, Wyoming, to use the Encampment Town Dump. The Town Council of Riverside may periodically set appropriate fees for the property owners of the Town for use of the Encampment dump and shall issue and appropriate permit for such use to each paying resident. Such fees will be set by resolution of the Governing Body of the Town of Riverside and may differentiate between different classes of users. It shall be unlawful for any property owner of the Town of Riverside to fail to pay such fees and persons violating this provision shall be fined in a sum not more than \$750.00 for each violation.

PASSED, ADOPTED AND APPROVED this day of _____
1986.

TOWN OF RIVERSIDE:

Mayor

ATTEST:

Town Clerk

ORDINANCE # 193

An Ordinance to adopt the 1976 edition of the Uniform Building Code and the Wyoming Public Works Standard Specifications.

WHEREAS, Wyoming State Statute 15-1-119 allows municipalities to adopt the Uniform Building Code, 1976 edition, and;

WHEREAS, The Uniform Building Code will enable the Riverside Town Council to more efficiently monitor building within the town limits, and;

WHEREAS, The Wyoming Public Works Standard Specifications manual will give the Riverside Town Council specific guidelines to ensure the safety and aesthetic quality of building for the residents of the Town of Riverside;

NOW THEREFORE, be it ordained by the Town of Riverside, Wyoming to adopt the 1976 edition of the Uniform Building Code and the Wyoming Public Works Standard Specifications manual by reference.

APPROVED, PASSED, AND ADOPTED this 5th day of Jan 1998.

TOWN OF RIVERSIDE

Alice White
MAYOR

Susan Munson
CLERK

AMENDMENT TO ORDINANCE #180
ADD TO SECTION 7

AN ORDINANCE ESTABLISHING THE RESPONSIBILITY
FOR MAINTENANCE OF SEWER LATERAL LINES OF
THE TOWN OF RIVERSIDE.

WHEREAS, there exists within the Town of Riverside certain sewer lateral lines which provide sewer services to Town residents; and

WHEREAS, from time to time the sewer lateral lines require repair and maintenance; and

WHEREAS, it is in the best interest of the Town and its citizens to establish the responsibility for maintenance of the sewer lateral lines serving the citizens of the Town of Riverside;

WHEREAS, an emergency exists, this ordinance shall take effect and be in full force from and after its passage and approval.

NOW THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE TOWN OF RIVERSIDE, CARBON COUNTY, WYOMING that the following ordinance shall be adopted:

Section 7 g. Responsibility for maintenance of sewer lateral lines

It shall be the responsibility of the property owner to maintain the lateral sewer service line from the structure to which service is being provided to the sewer main.

PASSED, ADOPTED AND APPROVED this day of April 2003.

TOWN OF RIVERSIDE

By: _____
Mayor, Liz Swynarczuk

Attest:

Clerk/Treasurer, Susan Munson, CMC

ORDINANCE NO. 206

AN ORDINANCE AMENDING AND REPLACING IN ITS ENTIRETY ORDINANCE NO. 180 and 183; ESTABLISHING THE OWNERSHIP AND CONTROL OF THE TOWN OF RIVERSIDE'S SEWER SYSTEM; ESTABLISHING THE MAYOR AS THE SUPERINTENDENT OF THE SEWER SYSTEM UNLESS ANOTHER PERSON IS PROPERLY APPOINTED TO THE POSITION; DEFINING A CONSUMER; ESTABLISHING RATES FOR SEWER SERVICE; REQUIRING PAYMENT TO BE MADE TO THE OFFICE OF THE TOWN CLERK FOR SEWERAGE AND HOOK-UP FEES; MAKING IT UNLAWFUL FOR UNAUTHORIZED PERSONS TO CONNECT TO THE SYSTEM; PROVIDING FOR REGULATION OF THE SEWER SYSTEM AND HOOK-UP TO THE SEWER SYSTEM; ESTABLISHING SEWER CONNECTION AND TAP FEES; PROHIBITING THE DISCHARGE OF HARMFUL SUBSTANCES INTO THE SEWER SYSTEM; AND REPEALING ALL ORDINANCES IN CONFLICT HERewith.

WHEREAS, Ordinance No. 180 and 183 established the ability to set rates for sewer service and established hook-up fees, and

WHEREAS, said Ordinance should be amended to modify such fees for future service;

BE IT ORDAINED BY THE GOVERNING BODY OF THE TOWN OF RIVERSIDE, CARBON COUNTY, WYOMING:

SECTION 1: Ordinance No.'s. 180 and 183 shall be and are hereby amended and replaced in their ~~its~~ entirety.

SECTION 2: Ownership and Control of the Town of Riverside Sewer System.

The system of sewer collection, wastewater treatment, and disposal of the Town of Riverside, located within and without the corporate limits of the Town, shall be owned by the Town and maintained and controlled and managed exclusively by the governing body of the Town of Riverside for municipal purposes, the object being to provide the inhabitants of the Town of Riverside with collection and disposal of sewerage within the Town limits.

SECTION 3: Management and Appointment of Public Utilities Commissioner Duties.

In the permitting and maintenance of the sewer services herein provided, the Mayor shall act as the Superintendent of the Sewer Services, unless and until he/she appoints a person to act in his/her stead, which said appointment shall be made with the advice and consent of the Governing Body. The Superintendent shall supervise the installation, operation, and maintenance of the sewer collection, treatment, and disposal systems, and he/she shall be required to give periodic reports of his/her activities to the Governing Body at its regular meetings. The term shall coincide with the term of the Mayor, and until a successor is appointed.

SECTION 4: Consumer.

The term "Consumer" shall be held to mean the legal owner of record for said real property, whether the property owner be an individual, partnership or corporation. The real property owner shall be responsible for the payment for all charges and all bills for sewer services.

SECTION 5: User Rates for Sewer Services.

The Governing Body of the Town of Riverside shall have the authority to set monthly sewer service rates from time to time by resolution passed at any regular meeting. The purpose of the user charge system is to provide an equitable distribution of the costs of operating and maintaining the municipally owned and operated sewer collection and treatment system to all users and to promote self-sufficiency with respect to operation, maintenance, and replacement costs.

- (a) The Town of Riverside shall place users of the sewer facilities into one of three rate categories:
 - 1) Residential users;
 - 2) Commercial, non-significant users;
 - 3) Commercial, significant users.
- (b) Residential classification requires the act or fact of dwelling in a place, the place where one actually lives, a building used as a home. Schools and churches not meeting the criteria for commercial or industrial users may be given residential status as billed as outlined for residential users.
- (c) Commercial classification requires being engaged in commerce, manufacturing, processing, or occupied in acts interpreted as relating to commerce.
- (d) Significant users are those meeting any of the following conditions:
 - 1) Has a discharge of over 15,000 gallons or more per average work day;
 - 2) Has in their waste toxic pollutants as defined pursuant to Section 307 of the Federal Water Pollution Control Act (also known as the Clean Water Act) as amended, 33 U.S.C. 1251, et. Seq.;
 - 3) Is found by the Town, Wyoming Department of Environmental Quality, or the U.S. Environmental Protection Agency to have a significant impact, either singularly or in combination with other users, on the wastewater treatment system, the quality of sludge, or the system's effluent quality.
 - 4) Has average BOD5 concentrations over 250 mg/l or average suspended solids over 250 mg/l
- (e) Non-significant users are those, commercial or industrial, who do not meet any of the conditions for significant users.
- (f) Classifications shall be made by the Mayor or his appointed agent. Users, however, may appeal classification status to the City Council; the council's determination shall be final.
- (g) All payments for sewer services shall be made to the Office of the Town Clerk.

SECTION 6: Non-payment of Sewer Service Fees.

All monthly sewer bills shall be due and payable on or before the tenth (10th) day of the month following that in which the service is rendered. Any user who fails to pay his entire sewer bill on or before the 10th day of the month following that month in which service was rendered shall be charged a late payment fee in the amount of Ten Dollars (\$10.00). An additional penalty of Five dollars (\$5.00) may be assessed for each month that there is a delinquency on the user's account. In addition, all delinquent accounts will be assessed a ten percent (10%) per annum interest charge, plus all costs of collection, including court costs and attorney's fees, whether or not legal action is instituted. Any user who fails to pay his entire sewer bill within sixty (60) days after the account is delinquent may have their service disconnected. A disconnect fee of Two

Hundred Dollars (\$200.00) shall be charged if said service is discontinued because of delinquency and must be paid before service is restored.”

SECTION 7: Tap Fees

The Governing Body of the Town of Riverside shall have the authority to establish or modify sewer tap fees from time to time by resolution passed at any regularly scheduled Town Council meeting.

- (a) The Town of Riverside shall place users of the sewer facilities into one of three rate categories:
 - 1) Residential users;
 - 2) Commercial users;
 - 3) Industrial users.
- (a) In addition to the tap fee, the property owner will be responsible to bear all construction and material costs associated with the actual connection.
- (b) The payment of the tapping fee shall permit the property owner to complete tapping into the Town’s sewer system within six (6) months of payment of the tapping fee. After six months, or as soon as the sewer tap is completed, whichever occurs first, the established monthly user rate will be assessed against the user regardless of occupancy or usage of the sewer system.
- (c) All payments for sewer taps shall be made to the Office of the Town Clerk, and no Hook-ups shall be made by any person, firm, partnership or corporation to the sewer collection system without a permit first having been obtained from the Office of the Town Clerk.

SECTION 8 : Mixed-use Facilities, Multiple-user Facilities, and Accessory Buildings

User rates and tap fees for mixed-user facilities, multiple-use faculties, and accessory buildings shall be determined as follows:

- (a) Mixed-use facilities are defined as a commercial facility with residential occupancy. Mixed-use facilities shall be considered a single commercial use for the determination of user charges and tap fees.
- (b) Multiple-use facilities are defined as properties occupied and/or commercially utilized by multiple persons or entities. Separate user rates and tap fees shall be paid for each respective occupant and/or use. Multiple use facilities include but are not limited to apartments, rental units, and leased commercial space.
- (c) No separate user rate or fee will be charged for accessory buildings constructed on single owner-occupied properties provided that such accessory buildings do not constitute a mixed-use or multiple-user facility.

SECTION 9 : General Regulations for Connections to the Sewer System.

The following regulations for operation of the Town Sewer Connection and Disposal System shall be adopted:

- (a) It shall be unlawful for any person, firm or corporation, to insert taps on or extend any sewer main owned or served by the Town of Riverside, Wyoming, without a permit

being obtained and the tap fee having been received by the Office of the Town Clerk with the approval of the Town Council.

- (b) Application for sewer connections must be made only in writing on forms prepared by the Governing Body of the Town of Riverside on or before 15 days prior to a regularly scheduled Town Council meeting. If an application is approved, the tap fee shall be paid to the Office of the Town Clerk and authorization will be given for the sewer connection.
- (c) The property owner shall be responsible for labor, equipment and all materials necessary for making the sewer service connection. All costs of the connection, including incidental surface repairs and a reasonable and customary hourly inspection fee for Town personnel, shall be paid by the property owner. These costs are in addition to the tap fee.
- (d) All materials and workmanship must conform with in accordance with Wyoming Department of Environmental Chapter XII Design and Construction Standards, and the Uniform Plumbing Code as adopted by those entities at the time of construction. All materials and workmanship must also conform with construction standards and details as adopted by the Town of Riverside.
- (e) All work shall be inspected and approved by an authorized agent, officer, or employee of the Town of Riverside. In no case shall the connection to the sewer main be backfilled until said inspection and approval has occurred.

SECTION 10 : Grease and Oil Interceptors.

- (a) Grease and oil interceptors meeting the requirements herein shall be provided when required by the Town and as needed for the proper handling of liquid waste containing grease or oil. Facilities required to have grease and oil separators shall include, but not be limited to restaurants, hotels, cafeterias, schools, hospitals, institutional or any commercial building where food is produced and/or served in quantity.
- (b) Gasoline service stations, garages, automobile repair shops, laundries, dry cleaning plants, machine shops and industries employing chemical processing are sources of flammable and volatile wastes which must be removed or treated. These shall be required to install common sump system or a specific type of sump system depending on nature of discharge.
- (c) Machine shops, major vehicle maintenance garages, some service stations, hospitals, medical clinics, dental laboratories, and fish preparation areas contribute solids such as metals, plaster, sand and fish scales. These may be required at the discretion of the Superintendent of Sewer Services or his/her designee to install specific type of treatment system to remove, reduce or control the concentrations of concern in their discharge.
- (d) Hair and lint interceptors may be necessary at the discretion of the Superintendent of Sewer Services or his/her designee in beauty salons, barber shops, surgical preparation rooms and veterinaries.
- (e) Dental laboratories and jewelry manufacturers shall be required to install interceptors for the recovery of precious metals.

- (f) Grease and Oil Interceptors shall meet the following requirements:
- 1) They shall be located as to be readily and easily accessible for cleaning and inspection
 - 2) They shall be constructed of impervious materials capable of withstanding abrupt and extreme changes in temperature
 - 3) They shall be watertight and equipped with easily removable lids
 - 4) They shall be maintained by the property owner at his expense in continuously efficient operation at all times
 - 5) All traps and interceptors shall be pumped out or cleaned out completely at least once every 180 days.
 - 6) Use of enzymes, chemicals, or bacteria as substitute for maintenance is prohibited
 - 7) Addition of emulsifiers into grease removal devices is strictly prohibited
 - 8) They shall be repaired as necessary to replace worn, lost or broken fixtures such as elbows and down-turn pipes
 - 9) Written records of all cleaning, repair, and maintenance shall be kept on site for at least 3 years and made available to the Town upon request.

SECTION 11: Requirement to Connect / Cesspools, Out Houses, and Septic Tanks Prohibited

- (a) No person may live or reside in any temporary or permanent dwelling within the Town of Riverside without an approved and operational sewer service meeting the requirements of this ordinance.
- (b) It shall be unlawful to construct and maintain a cesspool, out house, or septic tank within the Town of Riverside.

SECTION 12 : Sewer Main Extensions

- (a) All extensions of sewer mains will be constructed at the sole expense of the property owner(s) to be served including incidental surface repairs and a reasonable and customary hourly inspection fee for Town personnel, shall be paid by the property owner. These costs are in addition to the tap fees.
- (b) The Town of Riverside may accept ownership and maintenance responsibility for said mainline extensions provided that:
 - 1) All materials and workmanship must conform with in accordance with Wyoming Department of Environmental Chapter X Design and Construction Standards, and the Uniform Plumbing Code as adopted by those entities at the time of construction. All materials and workmanship must also conform with construction standards and details as adopted by the Town of Riverside.
 - 2) The new sewer main(s) have All work shall be inspected and approved by an authorized agent, officer, or employee of the Town of Riverside.
 - 3) The new sewer main(s) shall be warrantied for a period of one year after acceptance.
 - 4) Rights-of-way or easements adequate for maintenance purposes have been granted to the Town of Riverside.
 - 5) All roadways and impacted surface features have been property restored and accepted by the associated land-owners or agencies having jurisdiction.

SECTION 13: Sewer line Construction within Town Rights-of-way.

- (a) Sewer main and service line construction within the Town of Riverside rights-of-way will require a permit issued by the Town Clerk. As a condition of permit approval for work within the public right-of-way, the applicant must provide the following:
- 1) Construction drawings and details for approval by the Town;
 - 2) A certificate of liability insurance in an amount not less than \$1,000,000 per occurrence naming the Town of Riverside as an insured;
 - 3) A cash bond, commercial bond, performance bond, letter of credit, or cash deposit in an amount equal to the cost of construction, as said cost of construction is determined by the Town of Riverside.
 - 4) A non-refundable permit fee in the amount of \$1,000.00 residential and \$2,000.00 for commercial;
- b) Roadways, pavement, and impacted facilities shall be repaired and restored by the applicant in accordance with Town of Riverside standards.

SECTION 14: Out of Town Users.

- (a) The Governing Body of the Town of Riverside reserves the right to enter into any contract to accept or reject applications to provide sewer service to properties located outside the Town limits as believed to be in the best interest of the Town.

SECTION 15: Discharge Prohibitions.

It shall be unlawful to permit or cause the flow of any substance which may cause damage to or interfere with the operation or performance of the sewer-collection and treatment system of the Town of Riverside, and which may be dangerous to the health and welfare or others and including, but not limited to, the following substances:

- (a) General Discharge Prohibitions:
- 1) Any liquids, solids or gases which by reason of their nature or quantity are or may be sufficient, either alone or by interaction with other substances, to cause fire or explosion or be injurious in any other way.. Prohibited materials include, but are not limited to, gasoline, kerosene, naphtha, benzene, toluene, xylene, ethers, alcohols, ketones, aldehydes, peroxides, chlorates, perchlorates, bromates, carbides, hydrides and sulfides and any other substances which the City, the state or the EPA has notified the user is a fire hazard or a hazard to the system;
 - 2) Solid or viscous substances which may cause obstruction to the flow in a sewer or other interference with the operation of the wastewater treatment facilities, such as, but not limited to: grease, garbage with particles greater than 1/2 inch in any dimension, animal guts or tissues, paunch manure, bones, hair, hides, or fleshings, entrails, whole blood, feathers, ashes, cinders, sand, spent lime, stone or marble dust, metal, glass, straw, shavings, grass clippings, rags, spent grains, spent hops, waste paper, wood plastics, gas, tar, asphalt residues, residues from refining or processing of fuel or lubricating oil, mud, or glass grinding or polishing wastes;
 - 3) Any wastewater having a pH less than 5.5 or greater than 9.0, or wastewater having any other corrosive property capable of causing damage or hazard to

having any other corrosive property capable of causing damage or hazard to structures, equipment and/or personnel;

- 4) Any noxious or malodorous liquids, gases or solids which, either singly or by interaction with other wastes, are sufficient to create a public nuisance or hazard to life, or are sufficient to prevent entry into the sewers for maintenance and repair;
- 5) Any substance which may cause the treatment facility effluent or any other product of the facility, such as residues, sludges or scums, to be unsuitable for reclamation and reuse or to interfere with the reclamation process.
- 6) Any substance which will cause the Town of Riverside to violate its NPDES and/or State Disposal System Permit or the receiving water quality standards;
- 7) Any wastewater with objectionable color not removed in the treatment process, such as, but not limited to, dye wastes and vegetable tanning solutions;
- 8) Any wastewater having a temperature which will inhibit biological activity in the treatment facility resulting in the interference.
- 9) Any wastewater which causes a hazard to human life or creates a public nuisance;
- 10) Any wastewater with concentration of nitrogen as free ammonia over 25 mg/l.

(b) Other Discharge Prohibitions:

- 1) Federal and State Standards - All industrial users will comply with federal and state standards; if these federal and/or state standards are more stringent than the general discharge prohibitions imposed under this article, those standards shall immediately supersede the limitations imposed under this article.

SECTION 16: Penalty for Violations.

- (a) Suspension of Service - The Governing Body of the Town of Riverside may suspend sewer service to any user when such suspension is necessary, in the opinion of the Governing Body of the Town of Riverside, in order to stop an actual or threatened discharge which presents or may present an imminent or substantial endangerment to the health or welfare of persons, to the environment, causes interference of the treatment facilities, or causes the Town to violate the conditions of its NPDES permit.
- (b) Notification of Violation - Whenever the Town finds that any user has violated or is violating the provisions of this ordinance, the Town may serve upon such person a written notice stating the nature of the violation. Within thirty days of the date of notice, a plan for the satisfactory correction thereof shall be submitted to the Town by the user.
- (c) Civil Penalties - Any person or persons, partnership, firm or corporation who violated any of the provisions of this Ordinance shall be fined not more than Seven Hundred Fifty Dollars (\$750.00) in addition to any other penalty contained herein, to which said fine shall be added court costs and attorney's fees incurred on behalf of the Town as a result of prosecution of this action. Each day on which a violation occurs or continues shall be deemed a separate and distinct offense. In addition, sewer services may be suspended to any premises upon which violation of the Ordinance is found to exist and shall not be

returned until this ordinance is fully complied with and all amounts owed, penalties and fines are paid in full. If the Town receives a judgment for non-payment of sewer services, the Town, at its option, may place a record lien on the real property to which the sewer service is provided until the judgment is paid in full.

SECTION 17.

All Ordinances or parts of Ordinances in conflict herewith to the extent of conflict, are hereby repealed.

Riverside

ORDINANCE NO. 215

AN ORDINANCE OF THE TOWN OF RIVERSIDE,
CARBON COUNTY, WYOMING, AMENDING IN
PART ORDINANCE 206 AND PROVIDING FOR A
PROCEDURE FOR THE ABANDONMENT OF A
SEWER TAP

WHEREAS, the Governing Body of the Town of Riverside, Carbon County, Wyoming, has determined that it is in the best interest of the Town to amend Ordinance 206 which governed the ownership, control and management of the Town sewer systems; and

WHEREAS, the amendment of said ordinance is in the best interest of the Town and said code is necessary to safeguard the life, health, property and public welfare of the citizens of the Town of Riverside.

NOW THEREFORE BE IT ORDAINED THE GOVERNING BODY OF THE TOWN OF RIVERSIDE, CARBON COUNTY, WYOMING that Town of Riverside Ordinance 206 shall be amended and after passage and publication shall read as follows:

1. Section 9, of Town of Riverside Ordinance 206 shall be amended to add the following subsection (f).

SECTION 9: General Regulations for Connections to the Sewer System.

(f) Any sewer tap owner may submit a written petition to the Town Council requesting the abandonment of an existing sewer tap. The Riverside Town Council shall take action at the next regularly scheduled council meeting, after said written petition is received. If the petition to abandon a sewer tap is granted, it shall be irrevocable as of the date the Town Council acts on the petition and the tap owner shall not be entitled to a refund for any sewer tap fees. As a condition of granting any petition to abandon a sewer tap, the owner of said tap will plug the sewer tap within eight (8) feet of any alley or street easement. All abandoned taps, when abandoned and plugged shall be inspected before they are covered.

In the event a sewer tap owner has not exercised their right to physically tap the sewer line, they may still relinquish their paid up sewer tap and the rights thereto. However, in the event said sewer tap is relinquished, there shall be no refund of sewer tap fees paid to that time.

In either the instance of abandonment of an existing sewer tap, or relinquishment of a sewer tap not yet put into use, no further sewer fees will be charged if said abandonment or relinquishment is accomplished in accordance with this ordinance and approved by the Riverside Town Council.

Any person who desires to reconnect an abandoned or relinquished sewer tap, or acquire another tap, shall reapply to the Town and pay the then existing sewer tap fees to the Town. In all instances, the Town shall assist in the location of any sewer tap located on the sewer main.

2. All other parts of Ordinance 206 shall remain in full force and effect.

PASSED, ADOPTED AND APPROVED this 8 day of March, 2012.
